PSY 213	*PSY 228: Psych of Human Development AND	S6 902
	3 rd course to follow IAI in a department other than psychology	see www.itransfer.org

In addition to the IAI courses listed above, students need to complete additional Mennonite College of Nursing prerequisite courses that are not currently a part of the IAI program.

These WM Rainey Harper courses include:

***BIO 130-Micorbiology, *BIO 161- Human Physiology**

The following MCN prerequisite course NOT offered by Harper, but required for admission. As listed in the Illinois State Catalog: *** HSC 105-(Med Terminology)**

Students are also encouraged to complete a course that transfers into Illinois State as a global studies course (see ISU catalogue for course description).

Students are expected to work closely with their Harper advisor to ensure that they are meeting all required coursework. It is ultimately the responsibility of the student to complete all coursework necessary for admission. Also, students need to check the www.itransfer.org website frequently as there are periodic changes in the courses that become designated as IAI courses.

“This worksheet applies to courses completed Summer 2012, Fall 2012, Spring 20013 and Summer 2013.”

**Designates a Mennonite college of Nursing prerequisite course-student must get a “C” or better in course*
