

Baccalaureate Program Outcomes

- I. A provider of compassionate patient-centered care who demonstrates a commitment to cultural and spiritual diversity, caring, and advocacy in promoting improved health capacities for individuals, families, and communities across a continuum of care settings
- II. A steward of resources who adapts to human, financial, material, and regulatory realities to coordinate innovative, effective, quality care
- III. An empathic communicator who effectively manages health information and evolving communication technologies to improve care coordination in meeting care outcomes
- IV. An collaborator who coordinates care activities among interprofessional members of the healthcare team to impact health outcomes of individuals, families, and communities
- V. An evolving clinical thinker who uses theory, observation, evidence, leadership skills and practice experience to improve the health of individuals, families, and communities
- VI. An entry-level generalist who integrates knowledge and skills from a liberal education in applying evidence-based solutions to health issues to promote wellness for individuals, families, and communities
