**2016-17 Tenure-Line Faculty Research Interests**

*ILLEINOIS STATE UNIVERSITY*

*Mennonite College of Nursing*
RESEARCH MISSION

Mennonite College of Nursing faculty engage in research and scholarship to address the nursing and health care needs of urban and rural populations and to identify effective strategies to reduce health disparities in vulnerable and underserved populations. Faculty strive to engage the community served through research in a reciprocal relationship to ensure research practices are attentive to the special needs of vulnerable populations during all phases of the research process, including study planning, recruitment, obtaining consent for research, data collection, and reporting findings.
