The Elizabeth Davis Holder Endowed Scholarship Fund was established in 1999 by her family as a living memorial to Mrs. Holder.

Elizabeth Davis Holder is the great granddaughter of Judge David Davis. She was a life-long resident of McLean County. This scholarship was established in her name to help eliminate the financial barriers that might prevent enrollment of a well-qualified nontraditional student at Mennonite College of Nursing at Illinois State University.

Undergraduate and graduate full time students are eligible. Candidates must be nontraditional students who demonstrate financial need, be 24 years of age or older, and residents of Illinois for at least one year prior to applying for the scholarship.
