<td>S6 900</td>
</tr>
</tbody>
</table>

AND

2 courses to follow IAI, one in a department other than psychology

See [www.itransfer.org](http://www.itransfer.org)

In addition to the IAI courses listed above, students need to complete additional Mennonite College of Nursing prerequisite courses that are not currently a part of the IAI program. These Kennedy-King courses include:

*BIOLO 226- Human Struct, Funct 1, *BIOLO 227- Human Struct, Funct 2,
*MIC B 233 General Microbiology

The following MCN prerequisites are NOT offered by Kennedy-King, but are required for admission. These courses, as listed in the Illinois State University Catalogue, are as follows:

*PSY 213 (Development Through the Life Span,), *FCS 102 (Nutrition), *HSC 105 (Medical Terminology)

Students are also encouraged to complete a course that transfers into Illinois State as a global studies course (see ISU catalogue for course description).

**Students are expected to work closely with their Kennedy-King advisor to ensure that they are meeting all required coursework. It is ultimately the responsibility of the student to complete all coursework necessary for admission. Also, students need to check the [www.itransfer.org](http://www.itransfer.org) website frequently as there are periodic changes in the courses that become designated as IAI courses.**

“This worksheet applies to courses completed Summer 201, Fall 2011, Spring 2012 and Summer 2012.”

*Designates a Mennonite College of Nursing prerequisite course-student must get a “C” or better in course*
