

History

Mennonite College of Nursing was founded in 1919 with the goal of preparing outstanding professional nurses. Only July 1, 1999 MCN became Illinois State University's sixth academic college. At ISU, MCN continues to honor our history through excellence in nursing education grounded in a commitment to community service.

Mission

Mennonite College of Nursing promotes excellence and innovation in education while striving to improve health locally and globally.

Total.....	37

Why choose Mennonite College of Nursing?

OUTSTANDING FACULTY

MCN's practitioner-faculty are known as master teachers and consistently win awards for their teaching expertise.

MCN NURSING SIMULATION LABORATORY

Our state-of-the-art laboratory accommodates assessment labs, classrooms, patient simulation areas and offices. Trained by the top simulation experts in the country, MCN's faculty have integrated clinical simulation into the curriculum to provide students with cutting edge technology coupled with exquisite pedagogy.

A RICH HERITAGE

MCN's nearly 100 year-long heritage grounded in service and excellence is paired with the resources of a large, nationally ranked university, known for its small college feel.

TEACHING EXCELLENCE

Classes are taught by faculty with cutting edge research and real world clinical expertise. Faculty-to-student ratio at clinical sites is 1:8, or fewer.

RESEARCH

Undergraduate and graduate students have opportunities to work alongside MCN's nationally-recognized nurse scientist faculty.

SCHOLARSHIPS AND AWARDS

MCN offers many private scholarships and awards for nursing students and faculty.

TRANSCULTURAL NURSING EXPERIENCE

MCN's Transcultural Nursing Experience allows students the opportunity to examine nursing care in a location that is culturally different. Current locations include Brazil and Russia, with others in the works.
