The Mennonite Nurses Alumni Association Endowed Scholarship Fund at Illinois State University was established by the Mennonite Nurses Alumni Association Board on July 1, 1999. This fund was originally established as the Alumni Scholarship Fund for Mennonite College of Nursing in June of 1981.

The purpose of the Mennonite Nurses Alumni Association Endowed Scholarship Fund is to promote academic excellence, and to eliminate financial barriers that might otherwise prevent enrollment of highly qualified students from attending Mennonite College of Nursing at Illinois State University. In addition, the fund exists to financially assist students who participate in Mennonite College of Nursing Transcultural Program educational studies.

**Student Scholarship**

Undergraduate and graduate students are eligible. Candidates must be enrolled in good standing at Mennonite College of Nursing at Illinois State University. A grade point average of 3.0 or higher is required. Candidates must demonstrate financial need as documented by the Free Application for Federal Student Aid, or other such credible information as may be acceptable to the Dean of Mennonite College of Nursing and the Scholarship Committee. With all other factors being equal, priority will be given to Alumni of Mennonite School/College of Nursing or their immediate family (spouse/children).

**Student Transcultural Scholarship**

Candidates must be enrolled in good standing at Mennonite College of Nursing at Illinois State University. A grade point average of 3.0 or higher is required. Candidates must be enrolled in and earn credit through the specified transcultural courses. With all other factors being equal, priority will be given to Alumni of Mennonite School/College of Nursing or their immediate family (spouse/children).
