

## B.S.N. Open Houses and Nursing Simulation Lab (NSL) Tours for Prospective Students

The B.S.N. Open Houses will include a presentation, question and answer session, followed by a tour of the Nursing Simulation Lab.

The tours of the Nursing Simulation Lab will not have a presentation, but someone from the college will be there to answer general questions. Please plan to arrive a few minutes before 3pm, as doors will be locked when the tour begins.

Parking is available in the Bone Student Center Visitor's Parking Lot (\$1.00/hour).

If you have questions about the open houses and/or lab tours, please call (309) 438-7400.
