100. Scholarship America Dream Award

Description: Scholarship America's Dream Award is a multi-year, performance-based scholarship fund targeted toward completion. Awards will be given to students entering their second year or higher of education beyond high school. Dream Award scholarships for 2014-15 included general scholarships; STEM scholarships (for study in science, technology, engineering and math-related majors); and scholarships for Chinese-American students. Financial need will be considered in determining award amounts.

Eligibility Criteria: To qualify, students must have received a high school diploma or equivalent from a U.S. school, and must be planning to complete a minimum of one full year of postsecondary education by the end of the following year. Applicants must plan to enroll in full-time undergraduate study at the sophomore-year level or higher at an accredited two- or four-year college, university or vocational-technical school in the United States for the entire academic year, and must have a minimum cumulative grade point average of 3.0 on a 4.0 scale (or its equivalent). Finally, applicants must be U.S. citizens, U.S. permanent resident (holders of a Permanent Resident Card), or individuals granted deferred action status under the Deferred Action for Childhood Arrivals Program (DACA).

Opening October 2014

101. The Centennial Scholarship

Description: This scholarship is dedicated to qualified students majoring in nursing who are considered underrepresented according to the Sullivan Commission data.

Background:

African American, Hispanic and American Indians represent 25% of the US population. According to the 2007 Sullivan Report on Diversity, there were approximately 2.2 million nurses employed. However, only 9% of the employed nurses represented diverse populations. Additionally, in Nursing, Asians are also an underrepresented group.

Definitions:

In Nursing, underrepresented individuals include: African Americans, Hispanics, American Indians, Asians and Males.
