Russian Exchange Travel Fund

This fund was created in 2007 by Dr. Wendy Woith, faculty member of Mennonite College of Nursing at Illinois State University to remove some financial barriers that may prevent Russian nursing students from traveling to Illinois State University to participate in exchange programs.

Dr. Woith intends to provide annual gifts to the fund, and make annual awards, and gradually add enough funds to establish a permanent endowment. Funds may be used for transportation to and from the United States or other expenses that the students may incur during their home stay.
