- **DELIVERY**
In-person, at
Springfield location
- **TIME FRAME**
2 years (transfers)
- **START**
Fall term
- **WHEN TO APPLY**
Aug. 1–Jan. 15

ABOUT THIS PROGRAM

Transfer students at Menmonite College of Nursing's Springfield location follow our Traditional BSN plan of study while being immersed in the Memorial Health system. Students develop their skills inside a state-of-the-art simulation lab and receive clinical placements tied to coursework across five different hospital settings and multiple ambulatory sites of care. MCN Springfield students will also have opportunities for paid employment as a student, additional clinicals and internships, full-time job placement following the completion of their degree, and scholarship money to assist them in their education.

Springfield offers transfer students a one-of-a-kind learning experience and immersion in the Memorial Health system.

SUPPORTIVE LEARNING CULTURE

Engaged faculty are focused on student success. Also, MCN helps students prepare for NCLEX, the licensure exam for becoming an RN. Our graduates consistently achieve a high NCLEX pass rate.

NEW LOCATION, SAME EXPERIENCES

Students at the Springfield location can participate in all Traditional BSN events and programs, including graduation, Transcultural Nursing (MCN's two-week study abroad experience), Leadership Academy (a free leadership training series), and more.

MODERN LEARNING ENVIRONMENT

Our new Springfield location offers a close-knit learning environment in a freshly renovated building. Plus, students hone their skills in Memorial Health's state-of-the-art simulation lab.

A UNIFIED CLINICAL EXPERIENCE

Clinicals are held at five hospitals within a single health care system, immersing students in the culture and providing a natural pathway to employment upon graduation.

SCHOLARSHIPS AND JOB OPPORTUNITIES

Mennonite College of Nursing offers 100+ private scholarships for students accepted into the nursing program. Filling out one application for private scholarships will cover all of the scholarships. All students are eligible for part-time job opportunities through Memorial Health.

NO-HASSLE ADMISSION PROCESS

MCN provides transcript evaluations and a dedicated team to help with every step of the process.
